# CHERRY

This gold medal winning wine is a true showcase of Michigan's most abundant fruit. The blend of three cherry varietals deepens the intense cherry pie aromas that follow through start to finish. A medium-bodied palate leads to a rich, slightly sweet finish with robust cherry flavors and a touch of earthiness.

Appellation	Michigan
Varietals	Montmorency, Meteor, Balleton
Alcohol	10%
Acid	9 grams per Liter
pH	3.68
Residual Sugar	6%
Retail Value	\$11.99
Cases	5000

# CATAWBA

Brilliant pink carnation color. This light, crisp, sweet wine is made from the Catawba grape, one of the first great native American grapes used in winemaking in the United States. It has a mild berry, fresh fruit taste that is balanced with just the right amount of sweetness. The crisp finish is jam-packed with the famous spicy Catawba flavor!

Appellation	Michigan
Varietals	Catawba
Alcohol	11%
Acid	8.4 grams per Liter
pH	3.41
Residual Sugar	4%
Retail Value	\$7.99
Cases	3500
Food Pairing	Cajun Dishes, BBQ, Grilled Pork

# CONCORD

With a bright bluish-purple hue, intense and vibrant, with a showy fruitiness up front, this wine offers snappy, grapey scents that echo fresh grape juice. The well-integrated acidity finishes with dense and complex flavors of rich berries! Made from 100% Concord grapes grown in Southwest Michigan, what a treat!

Appellation	Lake Michigan Shore
Varietals	Concord
Alcohol	10%
Acid	6.8 grams per Liter
pH	3.46
Residual Sugar	6.5%
Retail Value	\$7.99
Cases	6000
Food Pairing	Pork Chops, Grape Pie, Grape Crisp, Englis

# NIAGARA

This brilliant light straw hued wine smells like Southwest Michigan on a crisp fall day during harvest! Medium-bodied, this wine has fresh grape and tropical fruit flavors that linger through the lightly sweet, moderately acidic finish. A fantastic wine for a warm summer day!

Appellation	Lake Michigan Shore
Varietals	Niagara
Alcohol	11%
Acid	6.2 grams per Liter
pH	5.50
Residual Sugar	6%
Retail Value	\$7.99
Cases	6000
Food Pairing	Pastries, Soufflé, Cheesecake, Shellfish Cou

# BLACKBERRY

Lovely ripe blackberry aromas. A thick, round entry leads to a moderately full-bodied palate and a sweet finish with pure blackberry flavors and moderate acidity. Finishes with a cloud of vapor and fruit in the mouth

Appellation	Michigan
Varietals	Blackberry
Alcohol	11%
Acid	6.5 grams per Liter
pH	3.47
Residual Sugar	16%
Retail Value	\$11.99
Cases	900
Food Pairing	Desserts, Chocolate, Pork
