HISTORY

pFriem's American Lager is a tribute to the tradition it came from, and gives a nod toward the modern American industrial Lager. Yet it is brewed using the highest quality hops, barley, and corn, with proper brewing and Lagering techniques in true pFriem fashion.

TASTING NOTES

Ultra-bright topped with pillowy white foam. Soft aromas of wildflowers, a spritz of lemon, clean malt, cherry blossom, and pear. Fresh flavors of masa harina, biscuits, honey suckle, lemon pound cake, and beer flavored beer. Finishes soft, smooth and spritzy for easy drinking.

FOOD PAIRINGS

Almost all classic American dishes will go great with this beer, whether a traditional interpretation or a modern elevated version. Cheeseburgers, Hot Dogs, Pizza, French Fries, Chili, Tatar Tots, Corn Dogs, Macaroni and Cheese, Buffalo Wings, Philly Cheese Steak, and Cheese Curds.
