PAIRING WITH FOOD...

Refresh your palate with this mildly tart beer. Pair with sausage, oily fish, or goat cheese. Or amplify the flavor of other earthy foods like beets and mushrooms.

PROBIOTICS IN A CAN!

DRINK YOUR VEGGIES...TELL YOURSELF YOU'RE DOING SOMETHING GOOD.

A tropical medley of citrus, sour and tart flavors blended together originally for our 21st Anniversary. Citra and Mandarina Bavaria hops combine with beets, carrots, ginger and apples turning this brew into a pink vapor stew.
