SOUL MATES...

PAIRING WITH FOOD...

This light and refreshing grapefruit lager cuts wonderfully through lighter Middle Eastern foods incorporating chickpeas, garlic or lemons (think hummus), as well as summer salads featuring vinaigrettes and light summer vegetables such as cucumbers.

LIKE RUBY RED SLIPPERS...

THIS GRAPEFRUIT LAGER WILL TAKE YOU WHERE YOU WANT
TO GO. IF WHERE YOU WANT TO GO IS BEER HEAVEN.

At first, your nose is treated to the aroma of bright and crisp citrus. Then your tongue is tickled by the carbonation that delivers flavors of tart and light grapefruit juice. Lightly acidulated, Rue B. Soho is a refreshing lager brewed with Cascade hops and grapefruit!
