

EINSTÖK WINTER ALE

EMBRACE THE WINTER

In Iceland, winter is not something we fear, it is something we embrace. Especially when it signals the return of our extremely-limited Winter Ale, ready to be shared around a plentiful table or a roaring fire. Brewed with hand-cut spruce tips along with smoked barley, this is the perfect brew to compliment your sagas of conquest and survival.

HOPS: HERKULES, HALLERTAU MITTELFRUH

MALTS: MUNICH MALT, CRYSTAL MALT, CHOCOLATE MALT, HONEY MALT

SPECIAL INGREDIENTS: SMOKED BARLEY & SPRUCE TIPS
