

CERVEZA

BRAND STORY

Cusqueña is a fine all-malt lager from an unexpected and mystical location – Cusco, Peru. Brewed with the highest-quality ingredients such as Saaz hops and crystal clear 18,000-foot Andean glacial melt water.

Cusqueña combines the light, crisp taste of Latin beers with the depth and flavor of European pilsners. Cusqueña is the only Latin American beer available in the US that is 100% malt– a statement about its premium quality.
