HENRY WEINHARD SODA

BRAND STORY

In 1851, Henry journeyed from Germany to Portland with a love of beer. He created a successful brewery and began concocting his own recipes. In 1920, Prohibition happened. Instead of giving up, he spun his situation, leaving alcohol behind to carefully craft bottles of bubbles filled with flavor. Over 100 years later we are dedicated to delighting soda lovers by staying true to the Weinhard way- brewing with cane sugar and infusing creativity into the everyday.
