

DOGFISH HEAD 120 MINUTE SRS

Description

Introducing **Dogfish Head 120 Minute IPA!**

Clocking in at 15-20% ABV, 120 Minute IPA is continually hopped with a copious amount of high-alpha American hops throughout the boil and whirlpool, and then dry-hopped with a boatload of hops. Unfiltered and abundantly hoppy, it's the Holy Grail for hopheads!

We brew 120 Minute IPA a few times a year, but it goes fast. If you find some grab a few bottles -- some to enjoy and some to age.
